- I. Dr. McCann-Sections were not added district wide when expanding Sunset was proposed. Academics, Culture, Economics and Neighborhood feel were the considerations when boundaries were considered, utilizing resources was also important. Current recommendation from Dr. McCann to school board include K-6 will be grandfathered; special considerations will also come up and handled individually. Class size will remain at 18-22 for elementary. District Map Options available to view (4 current options) on District Website under Boundary Process.
- II. Principal's Report-Dr. McCann Present tonight to discuss Boundary options.
- III. Treasurer's Report- Revenue for both Butter Braids and "No Sale" Fundraiser have been recorded.
- IV. New Business-
 - a. Cub/Boy Scouts- CC sponsors pack 407. CC representative signs off on new leaders for this organization. Charter for the club is approved by CC president. Background check and completion of training is required before a leader can be voted in by CC. Vote agreed upon to continue to support pack 407.
 - b. Gingerbread Houses-Thank You Julie Liakos and committee
 - c. 12/21 Grossology presentation from Omaha Children's Museum for end of semester party. Starts at 230 pm- 315 pm
 - d. Hy-Vee Receipts- Can be turned in to school or left in box at store.
- V. District Boundary –Continued Discussion-Julie Liakos and April Clausen (Sunset School representatives). Letters are encouraged from current Sunset families to voice opinions. Key points from tonight below-If any additional suggestions please send to Julie Liakos before December 17th at jliakos@mtsi.net or April Clausen at a.hrtmn@gmail.com

(1)- Gradual, consistent growth for Sunset is priority for members present tonight with (2) ability to remain at 30% option enrollment (this includes within district transfers and outside the district). (3)Sunset members present propose best option as a small portion of both Swanson and Loveland added to Sunset boundaries.
